

RINSE AWAY PLUS™

Carpet Rinse / Residue Neutralizer

DESCRIPTION

A mild organic acid, low foaming rinse that safely neutralizes and removes detergent residue to eliminate problems with browning, yellowing or water spots. RINSE AWAY PLUS™ quickly and safely removes alkaline detergent buildup resulting from bonnet or rotary maintenance programs and prevents future browning caused by alkaline detergent residues. Highly concentrated for economical dilution. Fast drying; safe for all colorfast carpet dyes.

PRODUCT FEATURES / BENEFITS

- Mild organic acid rinse / Eliminates problems with browning, yellowing or water spots.
- Removes and neutralizes detergent residue / Carpets get amazingly clean, stay clean longer.
- Low foaming surfactants / Eliminates recovery tank foam and saves time and labor.
- Concentrated / Economical in-use-dilution performance

DIRECTIONS FOR USE

Carpet Rinsing / Debrowning

- 1) Pretest carpet for colorfastness in an inconspicuous area.
- 2) Remove furniture and dry vacuum thoroughly.
- 3) In an extraction machine supply tank, dilute RINSE AWAY PLUS™ at a dilution of 1:32 (4 ounces per gallon of water).
- 4) Extract following equipment manufacturers instructions.
- 5) After the carpet has been cleaned, the carpet should be brushed in one direction by a deck brush or carpet rake.
- 6) Do not walk on carpet until it is completely dry, then vacuum.

- 2) Remove furniture and dry vacuum thoroughly.
- 3) In a pump-up or pressurized sprayer, dilute RINSE AWAY PLUS at a dilution of 1:32 (4 ounces per gallon of water).
- 4) Spray onto carpet, covering 1000-1500 sq. ft./gallon of diluted solution.
- 5) Do not walk on carpet until it is completely dry, then vacuum.

NOTE: Due to the variety of carpeting materials this product should be tested at recommended use dilution in an inconspicuous area. Use clean cloth or sponge for application and if test area indicates bleeding, color removal, carpet shrinkage or deterioration of adhesive, do not use.

Post Cleaning Spray

- 1) Pretest carpet for colorfastness in an inconspicuous area.

SPECIFICATIONS

Color	Colorless to pale straw.	Flash Point	> 212 °F (> 100 °C)
Odor	None	Optical Brighteners	No
pH	2.1 ± 0.1	Soil Retardants	No
Specific Gravity (g/cc)	1.01 ± 0.01	Safe on Stain Resistant Carpets	Yes
Density (lbs/gal)	8.4 ± 0.1	Deodorization	Outstanding
Upper Cloud	> 120°F	Cleaning	Excellent
Lower Cloud	< 32°F	Shelf Life	1 year minimum in original unopened container

SAFETY INFORMATION

WARNING: CAUSES SERIOUS EYE IRRITATION. KEEP OUT OF REACH OF CHILDREN.

Precautionary statement

Prevention: Wear eye protection/face protection. Wash thoroughly after handling.

Response: If in eyes: Rinse cautiously with water for several minutes. Remove contact lenses, if present and easy to do. Continue rinsing. If eye irritation persists: Get medical advice/attention.

Storage: Store away from incompatible materials.

Disposal: Dispose of waste and residues in accordance with local authority requirements.

Additional First-aid measures:

Inhalation: Move to fresh air. Get medical attention if symptoms develop or persist.

Skin contact: Remove contaminated clothing and shoes. Wash skin with soap and water. Get medical attention if irritation develops or persists.

Eye contact: Immediately flush eyes with plenty of water for at least 15 minutes. Get medical attention if irritation persists.

Ingestion: Rinse mouth thoroughly with water. Never give anything by mouth to an unconscious person. Call a physician or poison control center.

Meets requirements for USDA Authorization Class C-1.

For Commercial and Industrial Use Only
