Bio-Enzymatic Guide

Attack Grease, Malodors & Stains

Our biologically engineered maintenance products are formulated with proprietary synergized multi-blend live bacteria strains to be effective for varying conditions such as temperature, pH and aerobic and anaerobic oxygen levels.

Safely Eliminate Stains, Buildups & Odors

Sha-Zyme™

Grease Attacking / Anti-Slip Deodorizing Bio-Cleaner (#1830)

SHA-ZYME™ is no-rinse daily cleaner and degreaser for use on porous hard surfaces such as concrete, quarry tile, ceramic tile, brick, any grouted floor surface and vinyl tile. Especially in kitchens and food preparation areas, SHA-ZYME™ with deep cleaning action removes grease and grime below the surface to make quarry tile floors (and grout) more slip resistant.

Packaging	Weight	Cube	Units per Case (Layers / Total)
55 Gal. Drum; 4 x 1 Gal./Case	500 lbs. 37 lbs.	11.00 1.13	1/4 12/60

Sha-Zyme™ RTU

Digester / Urine Odor Eliminator (#1832)

SHA-ZYME™ RTU is no-rinse urine odor eliminator and digester engineered with a multi-strain bacterial system that destroys odors at their source and removes organic stains from urine. With our "signature" SHA-ZYME fragrance, this product provides long-lasting deodorization around urinals and commodes in restrooms, locker rooms and it is safe to use on carpets too!

Packaging	Weight	Cube	Units per Case (Layers / Total)
12 x 32 oz Qt./Case	27 lbs.	0.94	11/55

Sha-Zyme™ DRC

Deodorizer / Restroom Cleaner / Urine Odor Eliminator (#1831)

SHA-ZYME™ DRC is no-rinse daily cleaner and deodorizer formulated to specifically remove restroom soils and completely eliminate urine deposits and odors. The exceptionally fresh, floral fragrance deodorizes the area and eliminates urine odors completely.

Packaging	Weight	Cube	Units per Case (Layers / Total)
4 x 1 Gal./Case	37 lbs.	1.13	12/60

Nature's Solution™

Bio-Enzymatic Deodorizer / Spotter / Digester (#1800, #1801)

A unique triple strain bacterial system that produces enzymes which rapidly destroys odors, removes organic stains and liquefies grease. This product provides a natural way for eliminating odors at their source while being environmentally safe.

Packaging	Weight	Cube	Units per Case (Layers / Total)
55 Gal. Drum;	500 lbs.	11.00	1/4
5 Gal. Pail;	45 lbs.	1.04	12/36
4 x 1 Gal./Case;	37 lbs.	1.13	12/60
12 x 32 oz Qt./Case	27 lbs.	0.94	11/55

Natural Miracle™

Biologically Engineered Instant

Malodor Destroyer & Cleaner (#1820, #1821)

The most advanced, synergized bio-enzymatic formulation designed to instantly control malodors and provide long lasting deodorization. The spore, based multi-strain bacteria system exhibits greater enzyme production to promote faster grease liquefaction and cleaning.

Packaging	Weight	Cube	Units per Case (Layers / Total)
55 Gal. Drum;	500 lbs.	11.00	1/4
4 x 1 Gal./Case	37 lbs.	1.13	12/60
12 x 32 oz Qt./Case	27 lbs.	0.94	11/55

Nature's Force™

Biologically Engineered Drain Opener & Maintainer (#1810, #1811)

A fast working drain opener and maintainer which "safely" unclogs by dissolving organic deposits and then through regular use keeps working to maintain drains. This product is made with highly selective free enzymes, multi-strain live bacteria, biodegradable surfactants, penetrants, chelating agents and proprietary odor neutralizers.

Packaging	Weight	Cube	Units per Case (Layers / Total)
55 Gal. Drum;	500 lbs.	11.00	1/4
4 x 1 Gal./Case	37 lbs.	1.13	12/60
12 x 32 oz Qt./Case	27 lbs.	0.94	11/55

Nature's Power™

Biologically Engineered Grease Build-Up Remover & Drain Maintainer (#1825)

An all natural, drain line, grease trap and septic tank maintainer. This advanced multi-strain bacteria system exhibits rapid grease digestion to keep drain lines free flowing. The outstanding anaerobic capabilities in low oxygen environments insure degradation of complex waste materials commonly found in grease traps and septic tanks.

Packaging	Weight	Cube	Units per Case (Layers / Total)
5 Gal. Pail;	45 lbs.	1.04	12/36
4 x 1 Gal./Case	37 lbs.	1.13	12/60

A FULLY COMPREHENSIVE LINE OF BIO-ENZYMATIC PRODUCTS

Remove Tough Stains with Ease!

Whether you're dealing with new or set-in stains, NCL's bio-enzymatic spotters will get the job done. The dual acting formula lifts soils while eliminating malodors.

Safe For Use On:

- Concrete
- Quarry Tile
- Grouted Surfaces
- Ceramic Tile
- Brick
- Concrete
- Rubber Matting
- Vinyl Tile
- Carpet
- Upholstery
- Drains
- Grease Traps

A Bio-Enzymatic Line of Products Designed for

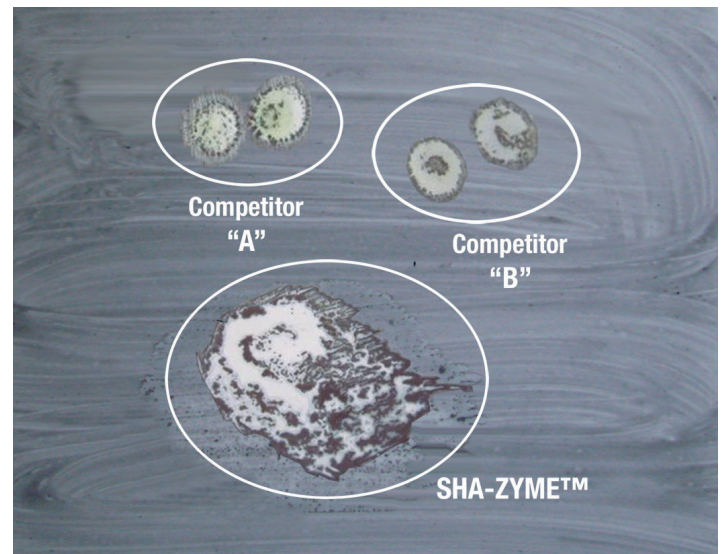

Grease Build-Up

Urine Deposits

Tough Odors

Sha-Zyme Destroys the Competition!

Sha-Zyme's grease attacking formula cuts through grime. Sha-Zyme is built to save you time and money as it rapidly expands, while the competitive products remain in place.
