World Class Cleaning & Hygiene Solutions®

World Class Carpet Care Solutions

Setting the standard for Carpet Care!

The proven formulations found in Carpet Care Solutions™ from NCL provide the finest products available for the care and long life of your carpeting investment. Proper maintenance of your facility's carpet provides a combination of beauty, vibrant color and comfort for employees and guests.

This comprehensive system of cleaners, spot removers, protectors and accessory products offers your facility a simple, cost effective program for maintaining carpets. Utilizing cutting edge formulations with our exclusive premium quality ECT™ Encapsulating Crystallizing Technology and our exclusive EPT™ Encapsulating Powder Technology your carpets will be beautifully clean with a greatly reduced potential for re-soiling. Encapsulating cleaners envelop soils with a crisp, non-sticky residue that is easily removed by routine vacuuming.

The result is exceptionally clean, beautiful carpeting that stays cleaner longer.

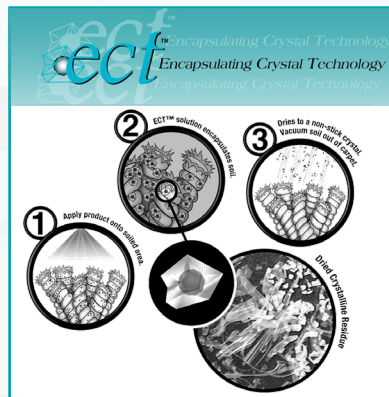

ALL-IN-ONE™ Encapsulating Carpet Care

Our premium encapsulation technology, ECT™ Encapsulating Crystal Technology, incorporates specialized crystalline forming ingredients that result in the driest, most friable crystalline residue that is available in carpet care products today.

Encapsulation Technology

- Low Moisture
- Surrounds soil
- Dries to a non sticky powder
- Vacuums out easily
- Reduces re-soiling
- Lengthens time between cleanings
- Extends the life of the carpet
- Reduces labor costs

ALL-IN-ONE™
Encapsulating Carpet Brush / Bonnet Cleaner
Our premium ECT™ Encapsulating Crystal Technology carpet cleaner for bonnet and low moisture brush machines. Recommended for use on all types of carpets. Formulated with a universal fresh fragrance. Minimizes rinsing requirements and out-of-service time.

4X1 GALLON: Item # 0693-29

World Class Cleaning & Hygiene Solutions®

Carpet Care Products

Cleaners

EDGE-PLUS™ Encapsulating Carpet Extraction Cleaner

Carpet extraction cleaner that incorporates exclusive EPT™ - Encapsulating Powder Technology to trap soil and allow for easy vacuuming of residue. Also includes malodor counteractants and GIANE™ fragrance.

4X1 GALLON: Item # 0660-29
5 GALLON PAIL: Item # 0660-21

Heavy Duty Cleaners

ENDURE™ Heavy Duty Bonnet & Traffic Lane Cleaner
Bonnet and traffic lane cleaner with powerful solvents and soil solubilizers for the toughest, heavy duty jobs. Powerful, high pH formula is highly dilutable and cost effective. Not recommended for stain resistant carpets.

4X1 GALLON: Item # 0621-29

BURST-PLUS™ Encapsulating Concentrated Rotary / Dry Foam Carpet Shampoo

Rotary and dry foam cleaner for all types of carpeting, including stain resistant. Incorporates exclusive EPT™ - Encapsulating Powder Technology to trap soil and allow for easy vacuuming of residue. Also includes malodor counteractants and GIANE™ fragrance.

4X1 GALLON: Item # 0670-29

VIGOR™ Heavy Duty Extraction Cleaner

Heavy duty extraction cleaner for extreme carpet cleaning situations. Formulated for truck mount systems. Highly dilutable and cost effective formula. Not recommended for stain resistant carpets.

4X1 GALLON: Item # 0620-29

SPRAY KLEEN-PLUS™ Encapsulating Bonnet / Traffic Lane Cleaner

Highly concentrated bonnet and traffic lane cleaner for all types of carpeting, including stain resistant. Incorporates exclusive EPT™ - Encapsulating Powder Technology and powerful non-butyl solvents to quickly penetrate oil, grease, and dry soils for easy removal. Also contains anti-resoiling technology and GIANE™ fragrance

4X1 GALLON: Item # 0665-29

Treatments

RINSE AWAY PLUS™ Carpet Rinse / Residue Neutralizer

Mild organic rinse to safely neutralize excess alkalinity while removing embedded detergent residue. Also eliminates problems with browning, yellowing, and water spots. Highly concentrated formula is fast drying and safe for stain resistant carpets.

4X1 GALLON: Item # 0692-29

FOAM BREAK™ Concentrated Carpet Defoamer

Use friendly, cost effective solution to controlling excess foam. Recommended for use in extraction equipment, automatic scrubbers, wet-vacs, steam cleaners, injectors, buckets, sinks, and any other area where foam is a problem.

4X1 GALLON: Item # 0650-29

Spot Removers

EXTREME PLUS™ Encapsulating Universal Carpet Spot Remover

Universal encapsulating spot remover for oil and water based stains, such as food, ink, petroleum, and grease.

Safe for use on stain resistant carpeting and also works as a pre-spray for traffic lanes. Formulated with exclusive GIANE™ fragrance.

4X1 GALLON: Item # 0675-29
12 QUART BOTTLES: Item # 0676-36

COMMAND™ Oil / Tar / Grease Carpet Spot Remover

Superior spot remover to rapidly penetrate and remove stains such as oil, tar, grease, and other petroleum based sources. Not recommended for use on stain resistant carpets.

12 QUART BOTTLES: Item # 0622-36

TANNIN OUT™ Coffee / Tea / Browning Carpet Spot Remover

Ready To Use, low foaming, spot cleaner for removal of tannin based stains, such as coffee or tea, cola, wine, or rust. Buffered with a mild organic acid to neutralize excess alkalinity.

4X1 GALLON: Item # 0685-29
12 QUART BOTTLES: Item # 0685-36
