Sha-Zyme™ DRC

**DEODORIZER / RESTROOM CLEANER
/ URINE ODOR ELIMINATOR**

Item # 1831

High performance bio-enzymatic cleaner keeps floors clean, bright, sanitary and odor free.

Eliminates urine deposits and odors.

Will not build-up, yellow or become sticky.

No rinsing required.

Unique non-acid formula, will not harm plumbing or fixtures.

Signature fresh floral fragrance.

Synergized multi-blend (SMB) high active bacteria count produces enzymes that consume urine deposits and organic materials until they are gone.

Will not damage floor finish when used at 1:64 dilution.

- Showers
- Lockers
- Floors
- Walls
